

DEPARTMENT OF ARC AND STRING INSTRUMENTS

SCHOOL OF VIOLA

DCPL 52 FIRST LEVEL ACADEMIC DIPLOMA COURSE IN

VIOLET

Educational objectives

At the end of the studies related to the first level Academic Diploma in **Violet**, students must have acquired the knowledge of the techniques and specific skills that allow them to concretely realize their artistic idea. To this end, particular emphasis will be placed on the study of the most representative repertoire of the instrument - including the ensemble one - and the related performance practices, also with the aim of developing the student's ability to interact within differently composed musical groups. . These objectives must also be achieved by favoring the development of the perceptive capacity of hearing and memorization and with the acquisition of specific knowledge relating to the organizational, compositional and analytical models of music and their interaction.

Specific care must be dedicated to the acquisition of adequate postural and emotional control techniques. At the end of the three-year period, students must have acquired a thorough knowledge of the general stylistic, historical and aesthetic aspects relating to their specific address. Furthermore, with reference to the specificity of the individual courses, the student must have adequate skills related to the field of improvisation. The training objective of the course is also the acquisition of adequate skills in the field of musical informatics as well as those relating to a second community language.

Employment prospects

The course offers the student the possibility of employment in the following areas:

- Solo instrumentalist
- Instrumentalist in chamber groups
- Instrumentalist in chamber orchestral ensembles
- Instrumentalist in symphonic orchestral formations
- Instrumentalist in orchestral formations for musical theater
